Learning Link Scotland

Report of the Trustees

for the Year Ended 31 March 2022

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

**OBJECTIVES AND ACTIVITIES**

**Charitable Purposes**

The purposes of Learning Link Scotland ("LLS") are wholly and exclusively charitable. In particular, the purposes are:

- to advance the education of adults by supporting and developing the skills of organisations and practitioners providing adult education services throughout Scotland;
- to advance community development by working throughout Scotland with voluntary and community organisations that provide adult education services to improve their individual effectiveness and their collective impact; and
- to advance citizenship by encouraging adults throughout Scotland to take an active part in the social, economic and civic life of their communities through adult education.

## **ACHIEVEMENT AND PERFORMANCE**

### **Our Objectives this year have been:**

1. Third Sector adult learning organisations and their learners are effectively contributing to, and implementing, emerging policies in order to increase the effectiveness, and thereby maximise the impact, of adult learning provision on individuals, families and communities.
2. Workers in Third Sector adult learning organisations are supported and encouraged to engage in professional learning, networking and partnership opportunities, so that learners can increase their ability to achieve their goals as a result of high quality learning experiences.
3. There is robust evidence of the powerful impact Third Sector adult learning can make on learners' personal, family, work and community lives, which in turn strengthens the case for sustaining and developing the sector for the benefit of adult learners in Scotland's communities and Scotland as a whole.

We fulfil our first objective through:

- Representation on Strategic groups
- Consultation with the membership
- Regular communications with members and partners
- Quarterly National Network Meetings

We fulfil our second objective through:

- Collaboration with Scottish Government, Education Scotland and the CLD (Community Learning Development) Standards Council, amongst others, to develop approaches for professional learning for adult educators.
- Active participation in the Adult Learning Strategic Forum for Scotland
- The development of project work, for example, Maths Week Scotland and Adult learning engagement using creative and scientific spaces

We fulfil our third objective through:

- Supporting members to evidence the impact of their transformational work in adult learning
- Collaborating on national initiatives such as the EU funded Impact Forum co-ordinated by Scotland's Learning Partnership

### **Membership**

- There are approximately 500 subscribers to our general mailing list which we use for the majority of communications.
- The number of members is round 240 third sector organisations.

### **Key Policy Areas**

Adult Learning Strategy for Scotland

- LLS is a key member of this Strategy Forum for Adult Learning in Scotland and is a member of the Writing Group for the Strategy
- Science, Technology, Engineering and Mathematics: education and training strategy
- LLS continues to support the development of the STEM Strategy for Scotland by collaborating in running the STEM CLD Network and the National Numeracy CLD Network
- LLS continue to support a cyber-resilient third sector by being a Cyber Catalyst for the sector. And has contributed to the Safe, Secure and Prosperous: A Cyber Resilience Strategy for Scotland Third Sector Action Plan 2018-20

### **Projects**

Maths Week Scotland

- a professional learning workshop for adult numeracy tutors run in collaboration with Glasgow Science Centre in September

## Learning Link Scotland

### Report of the Trustees

for the Year Ended 31 March 2022

#### Covid Recovery - Connect 4

- a collaborative project with Scotland's Learning Partnership and West Dunbartonshire Council. We worked with 16 third sector organisations who ran 21 community-based adult learning projects focussed on getting adults back into learning. They worked with 574 adult learners 45 children and young people, all of whom are in the Scottish Government child poverty priority groups.

#### **Learning Link Scotland - Continuing Covid Recovery**

From April 2021-March 2022 we have continued to support our members to decide what ways of working to retain in relation to working virtually and what to re-establish in terms of face-to-face delivery. Learning Link Scotland aim to retain virtual networks and meetings as this allows us to have a national reach at limited cost to ourselves, our members and the environment.

The importance of our work as an intermediary is recognised by Scottish Government and they asked us to consult with our sector and report issues the sector was having back to government.

#### **FINANCIAL REVIEW**

##### **Financial position**

During the year Learning Link Scotland had income of £139,699 (2021: £99,551) and expenditure of £137,036 (2021: £77,000) leading to a surplus (prior to adjustments for defined benefit pension scheme) of £2,663 (2021: £22,551).

##### **Reserves policy**

The charity's policy on reserves is to hold sufficient funds in reserve to ensure the charity's ability to fulfil its charitable objectives.

Due to changes in financial reporting under SORP (FRS 102), we have now recognised our pension deficit liability as advised by our pension trustees. This has had the effect of bringing reserves into a negative position, however, as the agreement entered into with our pension trustees is a long term agreement over the next 15 years we do not anticipate this having an impact on our ability to fulfil our charitable objectives.

Given the above information reserves at the year end prior to deductions for the defined benefit pension scheme are £18,434 (2021: £23,179) with £6,559 in restricted funds (2021: £9,909).

## **FUTURE DEVELOPMENTS**

### **Learning Link Scotland - looking forward into 2021-22**

We will continue to support and represent the CLD sector at the Advanced Learning and Science Covid Recovery Group.

Learning Link Scotland also looks forward to the launch of the Adult Learning Strategy and working with our partners in adult learning on the actions associated with the Strategy.

### **Funding**

During the Coronavirus crisis, the Scottish Government continue to support the sector and confirmed a sixth year of ALEC (Adult Learning and Empowering Communities) funding for 2021-22, we were awarded additional funding for Covid Recovery by Scottish Government to assist in supporting the sector through this challenging time.

### **Key highlights for 2021-22**

- Learning link Scotland has been recognised for the support it offers third sector adult learning and for the work of an intermediary between the sector and Scottish Government, we will continue to work with our colleagues across the adult learning and CLD sector
- We continue to contribute to the development of the new Strategy for Adult Learning for Scotland which will be launched in summer 2022
- Areas for potential development including income generation will focus around the interests and intentions of our member organisations and are likely to be in the area of leadership and digital professional development opportunities, equalities and sustainability and measuring the impact of adult learning
- We also see a strong role for Learning Link Scotland in continuing to raise the profile of adult learning and making a strong case for adult learning across a variety of sectors including health, equalities, engagement and democratic participation.

## **STRUCTURE, GOVERNANCE AND MANAGEMENT**

### **Governing document**

The company operates under the name Learning Link Scotland. The company registered with Companies House and was incorporated on the 9th June 2010. It has charitable status and is recognised by the Office of the Scottish Charity Regulator as a Scottish Charity.

### **Structure, Governance and Management**

The Company is governed by its Memorandum and Articles of Association, which was formally adopted at the Special General Meeting, held 7th July 2010. The Directors of the Board made the decision at the 28th August 2010 meeting to transfer the assets and liabilities of the unincorporated Charity to the charitable Company. Following this decision the assets transferred to Learning Link Scotland, company number SC380020, charity number SC025308 on 1 October 2010.

### **Appointment of Member Directors/Trustees**

Not less than 42 (forty two) days before each Annual General Meeting the Secretary shall send an invitation to all members of the Company inviting them to propose themselves or another member of the Company for appointment as a Member Director at the Annual General Meeting where by ordinary resolution, appoint or re-appoint as a Member Director any member of the Company or authorised representative of a member of the Company in respect of whom a written proposal has been received by the Secretary.

### **Organisational structure**

All major operating decisions are decided by the Board of Directors and day to day management has been delegated to the CEO.

### **Staffing**

We have a core staff of:

Jackie Howie - CEO

Shirley Howitt - Development Officer

We also have a group of excellent Learning Link Scotland Associate Workers who work for us on a variety of projects.

### **Risk management**

The Board of Directors have examined the major strategic business and operational risks which the company faces and confirms that systems are in place to enable regular reports to be provided so that the necessary steps can be taken to minimise any potential risks.

Independent Examiner's Report to the Trustees of  
Learning Link Scotland

I report on the accounts for the year ended 31 March 2022 set out on pages eight to seventeen.

**Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity's trustees consider that the audit requirement of Regulation 10(1)(a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under Section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

**Basis of the independent examiner's report**

My examination was carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention :

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
  - to keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
  - to prepare accounts which accord with the accounting records and to comply with Regulation 8 of the 2006 Accounts Regulations

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The charitable company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 March 2022.

The members have not required the company to obtain an audit of its financial statements for the year ended 31 March 2022 in accordance with Section 476 of the Companies Act 2006.

The trustees acknowledge their responsibilities for

- (a) ensuring that the charitable company keeps accounting records that comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the charitable company as at the end of each financial year and of its surplus or deficit for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the charitable company.

These financial statements have been prepared in accordance with the provisions applicable to charitable companies subject to the small companies regime.

The financial statements were approved by the Board of Trustees and authorised for issue on 20/12/2022. and were signed on its behalf by:

.....  
Wendy Burton - Trustee

The notes form part of these financial statements

## 1. ACCOUNTING POLICIES

### **Basis of preparing the financial statements**

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The accounts are presented in sterling which is the charity's functional currency, and rounded to the nearest pound.

No changes have been made to the basis of preparing the financial statements this year or to the previous year's financial statements.

### **Going Concern**

The trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern and therefore the accounts are prepared on a going concern basis. The negative reserves position has arisen due to the recognition of the defined benefit pension liability which is a long term agreement and the trustees do not anticipate it having an impact on the ability to continue as a going concern.

### **Critical accounting judgements and key sources of estimation uncertainty**

The preparation of the financial statements conforms with the requirements of the Charities SORP and general accepted accounting principles. The only area in which it is considered that accounting estimates and areas of judgement have been applied is depreciation, the policy on which is outlined below.

### **Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

### **Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

### **Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings	- 25% on reducing balance
Computer equipment	- 33% on cost

The policy is to capitalise assets where they have an expected useful life of over one year.

### **Taxation**

The charity is exempt from corporation tax on its charitable activities.

### **Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

**1. ACCOUNTING POLICIES - continued**

**Fund accounting**

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

**Pension costs and other post-retirement benefits**

The charity operates a defined contribution pension scheme. Contributions payable to the scheme are charged to the income and expenditure account in the period they are payable. In addition, the charity is a member of a multi-employer defined benefit scheme, details of which appear in Note 12.

**Measurement of Debtors**

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**Cash at Bank and on Hand**

Cash at bank and cash in hand includes cash and any short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**Creditors and Loans**

Creditors and loans are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and loans are normally recognised at their settlement amount after allowing for any trade discounts due.

**VAT**

Learning Link Scotland is not VAT registered and therefore all expenditure is recognised gross of VAT.

**Problem Solving in technology Rich Environments**

Problem Solving in technology rich environments is funded by Erasmus+ and managed by Controlled Schools' Support Council, Northern Ireland and Learning Link Scotland receives funding as a partner in this project. The project is designed to develop resources and training materials to support the development of problem solving in numeracy and maths.

**Shift the Focus**

Income was received in 2021 from Foundation Scotland and Comic Relief as part of a 2 year programme to provide support for family learning for families with autistic children. This project has now come to an end.

**Maths Week Scotland**

Funding received from National Museums Scotland to run a professional learning workshop for adult numeracy tutors run in collaboration with Glasgow Science Centre This project was completed during the year.

**11. MOVEMENT IN FUNDS - continued**

**Connect 4**

A collaborative project with Scotland's Learning Partnership and West Dunbartonshire Council. We worked with 16 third sector organisations who ran 21 community-based adult learning projects focussed on getting adults back into learning. They worked with 574 adult learners 45 children and young people, all of whom are in the Scottish Government child poverty priority groups.

**12. EMPLOYEE BENEFIT OBLIGATIONS**

Learning Link Scotland participates in the SVS Pension Scheme (the Scheme). The Scheme is a multi-employer defined benefit scheme which provides benefits to some 82 non-associated employers. It is not possible for the charity to obtain sufficient information to enable it to account for the scheme as a defined benefit scheme. Therefore it accounts for the scheme as a defined contribution scheme.

The scheme is subject to the funding legislation outlined in the Pensions Act 2004 which came into force on 30 December 2005. This, together with documents issued by the Pensions Regulator and Technical Actuarial Standards issued by the Financial Reporting Council, set out the framework for funding defined benefit occupational pension scheme in the UK.

The scheme is classified as a 'last man standing arrangement'. Therefore the company is potentially liable for other participating employers' obligations if those employers are unable to meet their share of the scheme deficit following withdrawal from the scheme. Participating employers are legally required to meet their share of the deficit on an annuity purchase basis on withdrawal from the scheme.

A full actuarial valuation for the scheme was carried out with an effective date of 30 September 2020. This actuarial valuation was certified on 21 December 2021 and showed assets of £153.3m, liabilities of £160.0m and a deficit of £6.7m. To eliminate this funding shortfall, the trustees and the participating employers have agreed that additional contributions will be paid, in combination from all employers, to the scheme as follows:

**Deficit Contributions**

From 1 April 2022 to 31 May 2024: £1,507,960 per annum (payable monthly and increasing by 3% each year on 1st of April)

Some employers have agreed concessions (both past and present) with the Trustee and have contributions up to 29 February 2028.

The recovery plan contributions are allocated to each participating employer in line with their estimated share of the scheme liabilities.

Where the scheme is in deficit and where the company has agreed to a deficit funding arrangement the company recognises a liability for this obligation. The amount recognised is the net present value of the deficit reduction contributions payable under the agreement that relates to the deficit. The present value is calculated using the discount rate detailed in these disclosures. The unwinding of the discount rate is recognised as a finance cost.

**Present Values of Provision**

	31 March 2022	31 March 2021	31 March 2020
Present Value of Provision	(£) 37,777	(£) 53,828	(£) 57,207

**12. EMPLOYEE BENEFIT OBLIGATIONS - continued**
